## We welcome your support in 2005/06

Dragana receives award from Tim Roark, Treasurer

### First Education Award Issued

Dragana Djordjevic, a Public Health Inspector with the Fraser Health Authority in Surrey B.C. is the first recipient of the \$500.00 "CIPHI – EHFC Continuing Education Award" issued by the Foundation. Ms. Djordjevic is currently completing her Certificate in Health Care Management at the B.C. Institute of Technology.

**2005** was a great year for the EHFC with the presentation of the first educational award. The Board of Trustees now looks forward to presenting the **CIPHI – EHFC Continuing Education Award** annually to a member of CIPHI who currently holds the CPHI(C) and wishes to improve his or her education qualifications in the field of Public Health.

In addition, the criteria for the **Len Hiebert EHR Award** and the **Lilli Ann Zahara Award** have been finalised and these awards will also be available for presentation in 2006. Information on these awards and applications are now available at our web site at [www.ehfc.ca](http://www.ehfc.ca)

To ensure there are funds available to present these awards annually in future, the Board of Trustees has set a target of \$50,000.00. These funds will be held in trust and the annual interest will be paid to the award recipients. This way we can ensure there will be funds available each year to provide the awards to deserving members of our profession.

We have taken the first steps towards this goal but now need your help to reach this sustainable level. Please send your contribution today. Thank you.

# Support our Foundation's Work

Make a donation which can be directed to the project of your choice or for the advancement of all projects.

Please direct my donation as follows: {check choice(s)}

- Support for all approved projects, or
- CIPHI/EHFC Education Award for PHIs and EHOs currently working in the field,
- Lilli Ann Zahara Award for persons currently in the field of Environmental Health,
- Len Hiebert EHR Award for aspiring new Public Health Inspectors in training,
- Ed Fleming Memorial Fund - Groundwater video education project,
- TempSafe symbol food safety education project,
- Canadian Partnership For Consumer Food Safety Education FightBAC!<sup>tm</sup> Campaign.
- Research projects at accredited schools of Environmental Health and Public Health Inspection across Canada.
- Research into public health related communicable diseases such as E coli 0157H:7, Giardiasis, Cryptosporidium, West Nile virus, Rabies, etc.
- Support for the distribution of the award winning education video project titled "*Septic System Maintenance Pure & Simple*".

Donations may be made in the form of a bequest, the creation of a trust fund, the purchase of a dedicated life insurance policy or a cash donation. DONATIONS TO THE EHFC ARE TAX DEDUCTIBLE UNDER THE INCOME TAX ACT (#87096-8377-RR001)
