ANNOUNCEMENT

CIPHI STUDENT MEMBERS CONFERENCE ATTENDANCE BURSARY

June 17, 2022

The Board of Trustees of the Environmental Health Foundation of Canada (EHFC), the Charitable Division of CIPHI is pleased to announce the approval of \$5,000 to support CIPHI Student Members to attend the forthcoming CIPHI Annual Educational Conference being held in Ajax, Ontario, September 11-14, 2022. This bursary is available through the generous support of our donors.

The application criteria are as follows:

- Applicants must be enrolled in their final year or a 2021/2022 graduate from one of the five educational institutions accredited by the CIPHI Board of Certification (***proof submitted with application***).
- Applicants must be a 2022 Student Member of CIPHI as of **June 1, 2022** (***proof submitted with application***).
- Applicants are responsible for the cost for the conference registration, necessary travel and/or accommodations to facilitate their attendance at the conference.
- The EHFC Board will cover the cost of the student conference “early bird” registration fees as follows:
Full conference registration: \$375 + \$48.75 (13% HST) = **\$423.75** (**early bird deadline extended to July 4th**).
After that date the full student registration fee rises to \$450 + \$58.50 = **\$508.50**. For those registering after the early bird deadline and submitting a bursary application, the EHFC Board will only cover \$423.75 of that fee (a difference of \$84.75).
Daily conference registration: \$250 + \$32.50 (13% HST) = **\$282.50**. The Board recognizes that for a variety of reasons some students may not be able to attend the full conference, so we wanted to make the one-day registration available as an option.

For conference information on registration, hotel accommodation, and transportation please refer to the conference website at [CIPHI Durham 2022 – September 11-14, 2022](#)

- Applications must be received by **11:59 pm on Sunday, July 17, 2022**.
- Applications that meet the established criteria mentioned above will be handled on a first come, first serve basis.
- Students approved to receive a bursary will be reimbursed by cheque at the Sept 2022 CIPHI national conference.
- Upon completion of the conference, sponsored students are requested to provide a minimum of 500-word report to the EHFC Board of Trustees outlining the benefits of having attended the conference by **October 15, 2022**.

Requests are to be made electronically by emailing the completed bursary application form and applicable documents to EHFCchair@gmail.com
