

Dear Sir(s)/Madam(s) of the Environmental Health Foundation of Canada:

Re: Nomination of Ian Harrison for the Hedgerow Software Ltd. Leadership in Environmental Health Award

By submitting this nomination, I ask that Mr. Ian Harrison, Manager of the Environmental Health Department, Saskatchewan Health Authority considered for the Hedgerow Software Ltd. Leadership in Environmental Health Award.

Ian has constantly and consistently displayed leadership qualities during his entire career. During this time, he does not hesitate to take on new challenges or projects. He has a strong character that allows him to organize and lead individuals and groups.

He has the ability to have others look at scenarios through various lenses to analyse, evaluate and assess risk in a variety of situations.

Ian has admirable character traits that he is able to coach novice as well as experienced individuals to achieve expected goals.

Ian has proven to lead throughout his career and his ability has allowed him to progress throughout his professional career. He was offered and he accepted the position of supervisor of his department and currently is in the permanent role of Manager.

Ian is a valuable resource for the Hedgerow software program. With his training and ongoing usage and familiarity with this software program he continues to lead staff through the operation, functionality and upgrades to this ever-evolving program. He is able to adapt and recognize staff's knowledge and abilities of the Hedgerow program and as a result has to adjust to each individual's needs to lead them and empower them towards excellence.

Ian also demonstrates and exhibits his leadership qualities with his role with CIPHI. He was appointed as CIPHI Saskatchewan Branch's provincial BOC representative. His leadership and dedication is evident through his hard work and determination and as a result he was selected to the position of Vice Chair of the BOC. In January of 2019 he moved to the role of BOC Chair and leads this group of hardworking individuals to maintain the professional integrity of the profession.

During his tenure with the BOC he's involved with the Board in the implementation of the go-Green Project. Ian also took the lead on the Instructional Objectives (IO) project with the BOC. This was a monumental task to complete. The group under his lead, communicated the new IO's to the recognized schools to be implemented into curriculum this fall. He continues to lead the team through the changes they are making to the examination process. A project that definitely needs a leader and buy in from all the provincial BOC representatives.

It is evident throughout his career, Mr. Ian Harrison, takes his roles seriously and displays leadership and professionalism in his actions and conduct. The above examples are just a few of how Mr. Harrison continuously exhibits his leadership qualities on a consistent ongoing basis.

Please accept my nomination of Mr. Ian Harrison for the Hedgerow Software Ltd. Leadership in Environmental Health Award.

Respectfully submitted,

Michael McCann, CPHI(C)
Supervisor, Environmental Health Department
Saskatchewan Health Authority
