The EHFC Board of Trustees are excited to be hosting an online auction as part of the upcoming 2022 CIPHI National AEC Sept 11-14. The theme is TECH-TRAVEL-TREAT.

THE AUCTION LAUNCH IS 12:00 AM WED., SEPT. 7TH

The items up for auction will be available at the conference venue but the bidding is done online so it is open to all of our CPHI(C) colleagues from coast to coast who are unable to attend in person. Photos of each item and details are provided online.

The auction is hosted by 32auctions. It is easy to sign up for a free account either on your computer or cell phone. Go to the following website address to check out auction details and items up for auction and how to sign up for a free account: <https://www.32auctions.com/EHFC2022AuctionLink>
