2010 FALL NEWSLETTER

Dear Friends of the Foundation:

The Environmental Health Foundation of Canada (EHFC) has had another active year and we are pleased to provide you with an update on recent accomplishments. Our top priority is to ensure our educational scholarships, bursaries and awards are sustainable through the creation of an annual endowment fund.

EHFC Leg Waxing Fund Raising Event Helps Students Attend the 2010 IFEH Congress

The EHFC provided \$5,000 in financial assistance to be shared by the five Canadian schools of Environmental Health so PHI students could attend the 2010 IFEH Congress hosted in Vancouver in September. A total of 52 students took advantage of the opportunity. The above photo includes 40 BCIT students and Program Head Lorraine Woolsey; 10 Concordia students; EHFC Trustees - Tim Roark, Klaus Seeger, Len Gallant and Pamela Scharfe. Missing from the photo are CBU students Margaret McGrath & Lindsey Smith and EHFC Chair Ron de Burger. Photo courtesy of Dr. John Blatherwick.

The assistance was provided through funds raised at the 2009 CIPHI National Conference when President Adam Grant took up the challenge to have his legs waxed (OUCH!) if the EHFC could raise \$5,000 the last two days of the conference. The EHFC Trustees took up the challenge and raised the funds from the very generous PHIs attending the Conference.

“The conference was invaluable and we are very appreciative of the opportunity to participate and to be part of this once-in-a-lifetime experience. Thank you again for your organization’s generous donation.” BCIT Students
